Start Here, Start Now 2021-05-25 most educators want to cultivate an antibias and antiracist classroom and school community but they often struggle with where and how to get started liz helps us set ourselves up for success and prepare for the mistakes we ll make along the way each chapter in start here start now addresses many of the questions and challenges educators have about getting started using a framework for tackling perceived barriers from a proactive stance liz answers the questions with personal stories sample lessons anchor charts resources conversation starters extensive teacher and activist accounts and more we can break the habits that are holding us back from this work and be empowered to take the first step towards reimagining the possibilities of how antibias antiracist work can transform schools and the world at large we must remind ourselves that what is right is often not what is easy and we must continue to dream amidst the chaos our path ahead is clear this is our chance to dream big and build something better

The Start Here Diet 2013-12-31 with her eat clean diet toska reno went from being overwhelmed and overweight to modeling a bikini but her seventy pound weight loss and body transformation didn t happen overnight even toska needed a simple approach a place to begin now she reveals her secrets so that you can begin your journey to safe weight loss and optimal health start now with the start here diet toska knows what it s like to feel ashamed of your body at her heaviest she hid behind bulky clothes and rarely had her picture taken her blood sugar level was like a roller coaster and her heart rate was far from normal toska was so focused on taking care of her family that she neglected her own needs then she started making slight adjustments in her everyday life small changes that brought about big results in this exciting book she shares the three easy to follow steps that helped her get her life back on track step 1 dive inward identify the emotional triggers for your overeating the self defeating self talk and the underlying reason why you really want to shed the pounds sharing her own internal dialogue including excerpts from the journal she kept at that time toska will help you overcome these internal barriers in a completely unique accessible way step 2 uncover your hidden foods do you have a food you think you just can t live without or something you eat mindlessly and often these are your hidden foods and they are sabotaging your best efforts to lose weight and keep it off through toska s transformative process you will once and for all identify the empty calorie foods that have added extra pounds and replace them with nutritious foods you can enjoy without weight gain part 3 move a little the start here plan doesn t require you to join a gym or do lengthy daily workouts simply choose from toska s list of fifty basic movements to strengthen tone and improve your health these are exercises you can fit into the rhythm of your busy life moving a little for even fifteen minutes a day will help reshape your body and put you on a path to weight loss success like a good friend and trusted mentor toska will show you how to believe in yourself again forgive yourself and imagine a life of joy you thought was out of reach her start here essentials shopping and cooking tips meal plans and thirty delicious recipes will help you learn to eat to nourish your body not just to feed it as toska says the start here diet is all about cherishing you and you are wonderful

If You Want to Learn Early African History Start Here 2015-01-28 what they had in common was that they were unsure of where to begin their reading and study but they still wanted to find out more information this book was written to simplify that journey as the author of when we ruled a 700 plus page book on african history i could also see the need to produce a smaller book that condenses and simplifies the information i want to make the data as accessible as possible hence this book this book is in two parts the first part is called if you want to learn early african history start here the second part is called 50 questions and answers on the history of black people the first part of the book if you want to learn early african history start here is a general introduction to classical african history covering the most important ancient and medieval empires it began life as two separate lectures that i gave to introduce african history one of the lectures was called when we ruled thousands of years of a visible african heritage the second lecture was called the lost civilisations of central africa to write this section of the book i combined these two lectures into one narrative in the final part of this section i suggest other sources that a student could read to advance their knowledge even more the second part of the book 50 questions and answers on the history of black people began life when a colleague approached me to give him an extended interview on black or african history the colleague posed 50 varied questions to me to which i gave extended answers he asked me about Nile valley history ancient kingdoms and empires the slave trade earlier black historians and their writings etcetera i hope that the 50 questions answer most of the questions that people raise concerning black or african history robin walker

Start Here 2018-03-06 as heard on npr s fresh air recommended by the new york times sam roberts start here is an urgent and timely primer on the approaches that are working and don t require federal approval or political revolution to end one of the most pressing justice issues the country faces today brooklyn daily eagle a bold agenda for criminal justice reform based on equal parts pragmatism and idealism from the visionary director of the center for court innovation a leader of the reform movement everyone knows that the united states leads the world in incarceration and that our political process is gridlocked what can be done right now to reduce the number of people sent to jail and prison this essential book offers a concrete roadmap for both professionals and general readers who want to move from analysis to action in this forward looking next generation criminal justice reform book greg berman and julian adler of the center for court innovation highlight the key lessons from these programs engaging the public in preventing crime treating all defendants with dignity and respect and linking people to effective community based interventions rather than locking them up along the way they tell a series of gripping stories highlighting gang members who have gotten their lives back on track judges who are transforming their

courtrooms and reformers around the country who are rethinking what justice looks like while start here offers no silver bullets it does put forth a suite of proven reforms from alternatives to bail to diversion programs for mentally ill defendants that will improve the lives of thousands of people right now start here is a must read for everyone who wants to start dismantling mass incarceration without waiting for a revolution or permission proceeds from the book will support the center for court innovation s reform efforts
