**robust online estimation of biophysical neural  
circuits Feb 25 2022 sep 8 2023 robust online  
estimation of biophysical neural circuits the  
control of neuronal networks whether biological  
or neuromorphic relies on tools for estimating  
parameters in the presence of model uncertainty  
in this work we explore the robustness of  
adaptive observers for neuronal estimation  
inspired by biology we show that**

**ieee transactions on circuits and systems i  
regular papers Jun 12 2023 ieee transactions on  
circuits and systems i regular papers the articles  
in this journal are peer reviewed in accordance  
with the requirements set forth**
