this important new book is designed to serve many purposes in the fire service ranging from being a starting point and refresher guide for firefighters seeking promotions at any level to being a field operational guide for on scene incident commanders and company officers it offers an easy to follow step by step action plan for firefighters working in acting capacities and can be used when developing sopís and when organizing and planning training evolutions itís definitely a book every firefighter officer and aspiring officer will want to own american national trade bibliography special edition of the federal register containing a codification of documents of general applicability and future effect with ancillaries in common valor frank viscuso describes the firefighting world as only a firefighter can viscuso captures the human emotion and drama from firefighters who have endured a wide range of firefighting and rescue scenarios he goes way beyond the stories that the public may hear about with common valor you live it from these dramatic descriptions you feel yourself right there up close with the rescuers from seeing fellow firefighters die to being caught in a flashover and living to tell about it common valor captures the true spirit and camaraderie of firefighters harvey eisner if you are a firefighter or hope to be one someday you need to read common valor this book captures the true spirit of firefighting and all the emotions that accompany what has been called both the greatest and most stressful job on earth the definitive biography of a larger than life president who defied norms divided a nation and changed washington forever andrew jackson his

intimate circle of friends and his tumultuous times are at the heart of this remarkable book about the man who rose from nothing to create the modern presidency beloved and hated venerated and reviled andrew jackson was an orphan who fought his way to the pinnacle of power bending the nation to his will in the cause of democracy jackson's election in 1828 ushered in a new and lasting era in which the people not distant elites were the guiding force in american politics democracy made its stand in the jackson years and he gave voice to the hopes and the fears of a restless changing nation facing challenging times at home and threats abroad to tell the saga of jackson's presidency acclaimed author jon meacham goes inside the jackson white house drawing on newly discovered family letters and papers he details the human drama the family the women and the inner circle of advisers that shaped jackson's private world through years of storm and victory one of our most significant yet dimly recalled presidents jackson was a battle hardened warrior the founder of the democratic party and the architect of the presidency as we know it his story is one of violence sex courage and tragedy with his powerful persona his evident bravery and his mystical connection to the people jackson moved the white house from the periphery of government to the center of national action articulating a vision of change that challenged entrenched interests to heed the popular will or face his formidable wrath the greatest of the presidents who have followed jackson in the white house from lincoln to theodore roosevelt to fdr to truman have found inspiration in his example and virtue in his vision jackson was the most contradictory of men the architect of the removal of indians from their native lands he was warmly sentimental and risked everything to give more power to ordinary citizens he was in short a lot like his country alternately kind and vicious brilliant and blind and a man who fought a lifelong war to keep the republic safe no matter what it took more than 200 recipes from career and volunteer firefighters into the smoke is a work of photojournalism and traces tom barry's career as a firefighter spanning parts of four decades in fdny along with the forty year effort of noted freelance photographer michael dick the era covered in this book is best known in the fire service on the east coast of the united states as the war years the urban decay and social unrest that started in the 1960s and persisted continually fed by arson for profit into the 1990s firefighting is a truckie blindly crawling down a smoke filled hallway searching for victims hoping to find them before the fire does it is an engine operator calling on the last ounce of strength and pushing deeper into the apartment to extinguish the fire in the rear bedroom and beat the red devil one more time fellowship of the firefighter fantasies from childhood intertwine with the terror of impending death the pain of disfigurement the joys of success and the comradeship and respect of their peers many of the fires depicted in this book predate osha personal protective equipment ppe requirements this period was a fertile stage for innovation and development of firefighting techniques and equipment includes section book reviews on september 11 the world was made heartbreakingly aware of the risks taken by the new york city fire department but the new york daily news has been documenting their bravery since 1919 now culled from their archive of over 6 million images this book represents more than eighty years of the fdny in action fighting fires at rest in the station house training mourning protesting and proudly posing for history a tribute to the dedication heroism and humanity of the thousands serving in ny this book is illustrated with 120 colour and b w photos expanding the awareness of the feminist writer's accomplishments broadway's bravest woman is a critical resource for students scholars and theatre artists the collection enhanced by six illustrations not only offers the most complete portrayal to date of treadwell as a significant feminist voice in modern america but also provides a glimpse into the social life and international relations of the united states in the interwar period of the twentieth century book jacket in 1919 when wesley williams became a new york city firefighter he stepped into a world that was 100 white and predominantly irish as far as this city knew black men in the fire department of new york fdny tended horses nearly a century later many things in the fdny had changed but not the scarcity of blacks new york had about 300 black firefighters roughly 3 percent of the 11 000 new york firefighters in a city of two million african americans that made the fdny a true aberration compared to all the other uniformed departments like the nypd decades earlier women and blacks had sued over its hiring practices and won but the fdny never took permanent steps to eradicate the inequities which led to a courtroom show down between new york city's billionaire mayor mike bloomberg and a determined group of black activist firefighters it was not until 2014 that the city settled the 98 million lawsuit at the center of this book are stories of courage about firefighters risking their lives in the line of duty but also risking their livelihood by battling an unjust system among them fdny captain paul washington a second generation black firefighter who spent his multi decade career fighting to get minorities on the job he faced an insular culture made up of relatives who never saw their own inclusion as favoritism based on author ginger adams otis years of on the ground reporting firefighting is an exciting blend of the high octane energy of firefighting and critical civil rights history the keys to the fire house is a detailed step by step planning and preparation process that will bring you to the top of the hiring list ranking well in all areas of testing is a must to be successful in the competitive hiring process the keys to the fire house will build your knowledge and confidence in all these areas pursuing fire fighter career opportunities rank in the top of the hiring process learn the application process find out who's hiring preparation for the physical ability test oral interview questions and answers oral board success skills written test preparation skills a career as a fire fighter is one of the most rewarding and gratifying career available the pursuit to become one of america's bravest is a challenge the keys to the fire house will tolls needed to be successful a history of the fdny from the volunteers of the early 1700s to the rescue teams of september 11 2001 offers stories of heroic firefighters and significant events size 6 x 9 inches 120 pages journal paperwalk in my combat boots is a powerful collection crafted from hundreds of original interviews by james patterson the world's 1 bestselling writer and first sergeant us army ret matt eversmann part of the ranger unit portrayed in the movie black hawk down these are the brutally honest stories usually only shared amongst comrades in arms here in the voices of the men and women who've fought overseas from vietnam to iraq and afghanistan is a rare eye opening look into what wearing the uniform fighting in combat losing friends and coming home is really like readers who next thank a military member for their service will finally have a true understanding of what that thanks is for ida lewis loved everything about the sea so when her father became the official keeper of lime rock lighthouse in newport rhode island she couldn't imagine anything better throughout the years ida shadowed her father as he tended the lighthouse listening raptly to his stories about treacherous storms drowning sailors and daring rescues under her father's watchful eye she learned to polish the lighthouse lens so the light would shine bright she learned to watch the sea for any sign of trouble and most importantly she learned to row ida felt ready for anything and she was award winning author marissa moss pairs up with award winning illustrator andrea u ren in a stunning collaboration that sheds light on a remarkable piece of history based on the true story of ida lewis who was dubbed the bravest woman in america and who was recognized with the congressional life saving medal and the american cross of honor this inspiring and unforgettable tale of courage and real life heroism is a tribute to brave women everywhere the one bible that shows how a light from above shaped our nation never has a version of the bible targeted the spiritual needs of those who love our country more than the american patriot's bible this extremely unique bible shows how the history of the united states connects the people and events of the bible to our lives in a modern world the story of the united states is wonderfully woven into the teachings of the bible and includes a beautiful full color family record section memorable images from our nation's history and hundreds of enlightening articles which complement the new king james version bible text kathryn shay spent five years riding fire trucks with a large city fire department eating in their firehouses and interviewing hundreds of america's bravest read the novellas that resulted from her intense relationship with firefighters shay's powerful characters and emotional topics strike a chord with her readers and have earned her a well deserved place among the top romance authors waldenbooks romantic reader in too deep is the first novella in shay's powerful new anthology america's bravest all six novellas are available in a boxed set in the hidden cove fire department

gabe malvaso is a favorite among firefighters he s tough fair has a good sense of humor and loves his work but for eighteen months he s avoided a member of his crew firefighter rachel wellington despite his knife sharp attraction to her she is also drawn to him but is equally determined to keep things professional between them until they re trapped in a basement for a day thinking they ll never be rescued then their feelings for each other explode like the building around them praise for kathryn shay s firefighter books readers will appreciate the powerfully written tense emergency situations the malvaso clan and the other key characters seem genuine in and out of emergency scenarios kathryn shay pays homage to rescue workers with this exhilarating tale amazon reader powerhouse author shay follows up after the fire with another dramatic and dynamic thriller her complex and unforgettable characters breathe life into this truly intense novel romantic times book club superb contemporary romance that grabs you in the prologue and won t let go until you ve read the final page bravo ms shay the romance readers connection one of the best running collections on the market today amazon reader presents the military battlefields of america and explores each site offering descriptions of the campaigns the battlefield s significance and monuments to the fallen and includes travel tips for planning a trip to a site discover the stories america needs to hear admiral william h mcraeven us navy ret with these moving and powerful recollections of war told by the men and women who lived them walk in my combat boots is a powerful collection crafted from hundreds of original interviews by james patterson the world s 1 bestselling writer and first sergeant us army ret matt eversmann part of the ranger unit portrayed in the movie black hawk down these are the brutally honest stories usually only shared amongst comrades in arms here in the voices of the men and women who ve fought overseas from vietnam to iraq and afghanistan is a rare eye opening look into what wearing the uniform fighting in combat losing friends and coming home is really like readers who next thank a military member for their service will finally have a true understanding of what that thanks is for this authoritative biography chronicles the pioneering work of a nineteenth century black abolitionist and civil rights activist growing up in the free state of ohio before the civil war peter h clark dedicated himself to the abolitionist cause in pursuit of equal citizenship for african americans clark was at various times a loyal supporter of the republican party and an advocate for the democrats and the country s first black socialist clark led the fight for african americans access to ohio s public schools and became the first black principal in the state america s first black socialist draws upon speeches correspondence and outside commentary to provide a balanced account of this influential yet neglected figure charting clark s changing allegiances and ideologies from the antebellum era through the 1920s this comprehensive biography illuminates the life and legacy of an important activist while also highlighting the black radical tradition that helped democratize america a comprehensive and permanent record of all the important tribes of the united states and alaska that still retain to a considerable degree their primitive customs and traditions the value of such a work in great measure will lie in the breadth of its treatment in its wealth of illustration and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the superior race it has been the aim to picture all features of the indian life and environment types of the young and the old with their habitations industries ceremonies games and everyday customs though the treatment accorded the indians by those who lay claim to civilization and christianity has in many cases been worse than criminal a rehearsal of these wrongs does not properly find a place here general introduction the code of federal regulations is the codification of the general and permanent rules published in the federal register by the executive departments and agencies of the federal government fought in both caribbean and pacific and turning on america s superior naval strength this short but decisive war had momentous consequences internationally it ended spain s imperial power and the us emerged for the first time as an active force in world affairs acquiring amidst much domestic controversy an empire of her own in the philippines guam puerto rico and cuba whose struggle against spain had sparked the war heavy with implications for twentieth century america the war is explored in its widest context in this engrossing and impressive study
