The Princess Everyone Hates is the Beast King's Favorite ~The Poison Princess's Life is Reset and then She Finds Love~ 2019-11-25

The Lost Apothecary 2019 a 100 lined page recipe book for kitchen witches to keep their own magical concoctions and recipes handed down to them

The use of poisons and sleeping potions in Shakespeare's plays 2013-12-10 set in a crumbling 1850s london infirmary a richly atmospheric victorian crime novel where murder is the price to be paid for secrets kept ramshackle and crumbling trapped in the past and resisting the future st saviour s infirmary awaits demolition within its stinking wards and cramped corridors the doctors bicker and backstab ambition jealousy and loathing seethe beneath the veneer of professional courtesy always an outsider and with a secret of her own to hide apothecary jem flockhart observes everything but says nothing and then six tiny coffins are uncovered inside each a handful of dried flowers and a bundle of mouldering rags when jem comes across these strange relics hidden inside the infirmary s old chapel her quest to understand their meaning prises open a long forgotten past with fatal consequences in a trail that leads from the bloody world of the operating room and the dissecting table to the notorious squalor of newgate prison and the gallows jem s adversary proves to be both powerful and ruthless as st saviour s destruction draws near the dead are unearthed from their graves while the living are forced to make impossible choices and murder is the price to be paid for the secrets to be kept

Potions, Poisons, and Panaceas 2023-10-26 sixteen year old kyra a highly skilled potions master is the only one who knows her kingdom is on the verge of destruction which means she s the only one who can save it faced with no other choice kyra decides to do what she does best poison the kingdom s future ruler who also happens to be her former best friend but for the first time ever her poisoned dart misses now a fugitive instead of a hero kyra is caught in a game of hide and seek with the king s army and her potioner ex boyfriend hal at least she s not alone she s armed with her vital potions a too cute pig and fred the charming adventurer she can t stop thinking about kyra is determined to get herself a second chance at murder but will she be able to find and defeat the princess before hal and the army find her kyra is not your typical murderer and she s certainly no damsel in distress she s the lovable and quick witted hero of this romantic novel that has all the right ingredients to make teen girls swoon

Powders, Pills, Potions, Poisons 2009 reference to aboriginal use of plants for medicinal purposes

The Hollow Bettle

Poison 2022-06-07 a triumphantly toxic tome as a dedicated macinnis fan i relish this latest display of erudition story telling and fun one of his very best robyn williams head abc science unit was abraham lincoln really as mad as a hatter who poisoned phar lap can wallpaper really kill was jack the ripper an arsenic eater painting a broad canvas from the early egyptians to the arsenical tube wells in bangladesh and the sarin gas attacks in a tokyo subway the killer bean of calabar explores the accidental and intentional tales of poisons and their use throughout history historically difficult substances to trace poisons have been used by many for their own dastardly purposes from the great poisoners such as nero and madame de brinvilliers to the mass gassings of world war ii but the truly great poisoners are those who make selective use of poisons to save human life not the few who use poison to take human life most of the medicines we take are themselves poisons therapeutic only by virtue of being more deadly to our viruses than to us poisons are all around us from the plants in our gardens and lead in our homes to the bacteria and toxins in our bodies with ripping yarns and unusual views of famous people macinnis explains the whys and wherefores of poisons and poisoning

Botanical Curses and Poisons 1956 endless poison is a poetic collection for the potions and poisons of the world whether in love good or bad come take a look at their poison that is endless

Poisons, Potions and Profits 2019-10-03 about half of all the medicines prescribed by doctors are not taken by their patients one of the reasons most commonly given by patients for not taking drugs is that they feel unhappy about taking medicines which they do not understand and of which they are afraid this book attempts to rectify this problem by showing in clear non technical language how medicines and other drugs work in the body to reduce the effects of disease most chapters include fascinating

background information on how some of our most important drugs were discovered along with intriguing and often amusing anecdotes about the drugs and the people behind their discovery each chapter also includes a summary of the key points together with illustrations photographs or diagrams to summarise the main groups and how they work in the body the book covers all the major groups of drugs with complete listings of all the drugs available in the uk and the usa so that the reader can locate his or her specific drug and read about the actions of the drugs in that group the various chapters cover drugs used to treat high blood pressure heart disease diabetes nausea vomiting diarrhoea constipation ulcers cancers infections impotence incontinence arthritis osteoporosis as well as hormone replacement therapy oral contraceptives and drugs used in disorders of the brain such as schizophrenia depression parkinson s disease alzheimer s disease and epilepsy there is also a chapter on drugs which are abused such as cannabis alcohol nicotine and ecstasy and a chapter covering some of the poisons we encounter such as carbon monoxide arsenic sheep dip and the venoms of snakes spiders scorpions and marine organisms here then a fascinating survey of how chemicals have their effects in the body it shows how drugs work and explains why it is that taking some medicines for many years is far safer than suffering the long term effects of disease pills potions and poisons is an entertaining read that should also help to improve your health and quality of life

Master of Poisons 1991 am i of the growing world bound to the everlasting root or am i simply a red blooded man destined to die weed the seductive central character from the internationally acclaimed poison diaries weed re awakens in this book to a world where he must try to do good and learn from his allies in the plant world but will this half man half plant creature s desire for revenge weaken him leading him to use the potency of his plant knowledge to do evil as well as good powered by his connection to both healing and vicious plant life such as belladonna hemlock and cannabis weed struggles against time and the temptations of the seductive women he meets on his journeys traveling from his home at alnwick castle in northumberland to lindisfarne london and the island of anglesey in an adventure of love betrayal murder and salvation weed was conceived by jane northumberland the duchess of northumberland creator of the poison garden at alnwick castle and author of the little book of poisons potions and aphrodisiacs weed is brilliantly evoked here by hugh sington for the legions of fans worldwide who have been anxiously awaiting his return now weed is poised to rejoin the mortal world

Potions and Poisons 2018-01-02 good for what ails you whether they re used to bolster heroes abilities or take enemies out of the game potions and poisons are key parts of many adventurers arsenals far more options than simple healing draughts or strength sapping toxins are available to savvy heroes though especially those ingenious enough to craft their own concoctions pathfinder player companion potions poisons offers a sea of new potions elixirs and stranger alchemical wonders for the discerning adventurer plus heinous designer poisons class and character options for those who brew or regularly imbibe consumables round out these offerings inside this book you ll find feats and archetypes for races with an affinity for poisons including griplis nagaji and vishkanyas plus the scorpion sorcerer bloodline for those with a toxic heritage archetypes for a variety of classes known for brewing or poisoning including alchemists rogues and witches spells and feats specialized for potion brewing plus drugs elixirs gear poisons and tinctures alchemical remedies that produce potent effects but impair the user this pathfinder player companion is intended for use with the pathfinder roleplaying game and the pathfinder campaign setting but it can be easily incorporated into any fantasy world

After Hours 2021-03-02 open access edition doi 10 6069 9780295749013 at first glance medicine and poison might seem to be opposites but in china s formative era of pharmacy 200 800 ce poisons were strategically employed as healing agents to cure everything from abdominal pain to epidemic disease healing with poisons explores the ways physicians religious figures court officials and laypersons used toxic substances to both relieve acute illnesses and enhance life it illustrates how the chinese concept of du a word carrying a core meaning of potency led practitioners to devise a variety of methods to transform dangerous poisons into effective medicines recounting scandals and controversies involving poisons from the era of division to the tang historian yan liu considers how the concept of du was central to how the people of medieval china perceived both their bodies and the body politic he also examines the wide range of toxic minerals plants and animal products used in classical chinese pharmacy including everything from the herb aconite to the popular recreational drug five stone powder by recovering alternative modes of understanding wellness and the body s interaction with foreign substances this study cautions against arbitrary classifications and exemplifies the importance of paying attention to the technical political and cultural conditions in which substances become truly meaningful healing with poisons is freely available in an open access edition thanks to tome toward an open monograph ecosystem and the generous support of the university of buffalo

Pills, Potions and Poisons : How Drugs Work 2021-01-11 plagues poisons and potions highlights one of the most fascinating

aspects of the history of early modern plague in the sixteenth and seventeenth centuries outbreaks of plague in and around the ancient duchy of savoy led to the arrests of many people who were accused of conspiring to spread the disease those implicated in the conspiracies were usually poor female migrants working in the plague hospitals under the direction of educated professional male barber surgeons these conspirators were subsequently tried for spreading plague among leading and wealthy people from urban areas so that they could rob them while the afflicted homeowners were confined to their beds in order to understand how this phenomenon developed and was regarded at the time this study examines the courts the judiciary and the part played by torture in the trials which frequently concluded with the spectacular and gruesome execution of the suspects the author goes on to consider the socio economic conditions of the workers and in doing so highlights an early modern form of class warfare however what makes this phenomenon especially interesting is that in an age dominated by superstition religious strife and witch hunts the conspiracies were always given a more rational explanation and motivation profit both teachers and students of early modern history will be fascinated by this enlightening study into the fears of european society the spread of the disease and the judicial procedures of the time

Poison 2013-09 the lost apothecary meets dead dead girls in this fast paced steinist adventure debut author kate khavari deftly entwines a pulse pounding mystery with the struggles of a woman in a male dominated field in 1923 london newly minted research assistant saffron everleigh is determined to blaze a new trail at the university college london but with her colleagues beliefs about women s academic inabilities and not so subtle hints that her deceased father s reputation paved her way into the botany department she feels stymied at every turn when she attends a dinner party for the school she expects to engage in conversations about the university s large expedition to the amazon what she doesn t expect is for mrs henry one of the professors wives to drop to the floor poisoned by an unknown toxin dr maxwell saffron s mentor is the main suspect and evidence quickly mounts joined by fellow researcher and potential romantic interest alexander ashton saffron uses her knowledge of botany as she explores steamy greenhouses dark gardens and deadly poisons to clear maxwell s name will she be able to uncover the truth or will her investigation land her on the murderer s list in this entertaining examination of society s expectations

The Poisons and Antidotes Sourcebook

Apothecary on the Street of Dreams 2013-06-14 combining the fascinating archive of the first duchess of northumberland with the expertise of jane the present duchess and the creator of the famous poison garden at alnwick castle this gift book contains a collection of wonderful medicinal recipes passed down through generations the reader will learn the secrets of the poisonous and curative properties of these plants and the more unusual varieties that have been cultivated and planted for centuries and will discover how to make teethe whyte and how to make heare growe beautifully illustrated the duchess of northumberland s little book of poisons potions and aphrodisiacs is the ideal gift for those with an interest in the wild plants of britain and for those with an interest in poisons and potions the duchess of northumberland was responsible for the 35 million restoration of the 12 acres of walled garden at alnwick castle which now includes the largest treehouse in the world and the famous poison garden the poison garden remains one of the few places to have obtained permission from the home office to grow cannabis opium poppies and catha edulis for display
